

BCR[®] CleaNotes[®]

Excellent choice for small notes and reminders in cleanrooms and other controlled environments

BCR[®] CleaNotes[®] are made with 104 g/m² (28#) weight cleanroom white/blue bond paper. A special adhesive backing allows CleaNotes[®] to easily stick to any surface without leaving residues when the note is removed.

Applications

- For documentation use in cleanroom environments in industries including medical device, pharmaceutical/ biotechnology, semiconductor, optics, microelectronics or pharmaceutical compounding.

Composition and Attributes

- Made from 104 g/m² (28lb) weight cleanroom white/blue bond paper
- Available in 3 x 3" (76 x 76mm)
- Specialised coating to reduce particles and fibres
- Smooth surface reduces surface particle contamination
- Adhesive designed specifically not to leave unwanted residues behind
- Silicone free
- Easy to write on
